Greetings from

LAKE HAMILTON

Hot Springs Nat'l. Park, Ark.

G107

Highway #7 crosses Lake Hamilton on this bridge. Many thousands of people drive over this bridge on their way to famous Hot Springs National Park, Arkansas, only a few minutes drive from Lake Hamilton with its wonderful fishing, boating and swimming. Miles of sparkling blue water and a fisherman's paradise is beautiful Lake Hamilton, formed by Carpenter Dam across the Ouachita River, Hot Springs National Park, Arkansas.
